

CANCELLATION POLICY

Please review our cancellation policy below

We understand that unplanned issues may come up and you may need to cancel your appointment. If you cannot make your appointment, we respectfully ask you to cancel or reschedule your appointment by phoning the practice to let us know with a minimum of 3 hours' notice. This enables us to reschedule the day for other patients.

There may be a cancellation fee of \$50 at the discretion of the treating doctor if we do not receive notice of your cancellation or if we receive late notice of your cancellation. This fee needs to be paid prior to booking next appointment with the respective doctor and is not claimable with Medicare.
